**Restaurant Technologies, Inc.**  
**Ranks High Among Fastest-Growing Companies**

MINNEAPOLIS, MINNESOTA, October 25, 2005 – Restaurant Technologies, Inc. (RTI), a leading provider of bulk cooking oil management services to the restaurant industry, is pleased to announce that the company was ranked 11<sup>th</sup> in the Minneapolis-St. Paul *Business Journal* 2005 Growth 50, a list of the 50 fastest-growing private companies in the Twin Cities based on revenue growth over the past three years. Additionally, the company ranked 276<sup>th</sup> in the 2005 Inc.500 List, an annual compilation by *Inc.* Magazine of the 500 fastest-growing private companies in the U.S. Companies were ranked on cumulative three-year sales growth from 2001 to 2004.

“We are honored to have been recognized locally and nationally as a successful, fast-growing company,” said Jeffrey R. Kiesel, chief executive officer of Restaurant Technologies, Inc. “RTI has a dedicated group of people who are committed to delivering the highest quality solutions and services to our customers. It’s this hard work and commitment that has led to our continued financial success.”

The Business Journal’s Growth 50 list includes manufacturers, bankers, retailers, high-tech and med-tech companies, security professionals and restaurant management firms. To be eligible for the Growth 50 list, companies had to be privately held and based in the 11-county Twin Cities metro area. Additionally, eligible firms had to have \$1.0 million in revenue in the first of the three most recent fiscal years and progressive growth in the subsequent two years.

The Inc.500 ranks privately held companies according to year-over-year sales growth from 2001 to 2004. Eligible companies were U.S.-based, independent and privately held through their fiscal year 2004 with at least \$500,000 in net sales in the base year of 2001. In addition, 2004 sales had to exceed 2003 sales.

RTI’s revenue totaled \$28.5 million, \$52.9 million and \$81.0 million in 2002, 2003 and 2004, respectively.
